

Hello All!

We hope that you have had a fabulous summer. Watch out for kids as you drive near schools and bus stops.

The “Welcome Back From Summer” regularly scheduled meeting of the Ballentine-Dutch Fork Civic Association will take place at 6:30 PM on Monday September 12 at the Community Center in Ballentine Park. This meeting is open to the public and we invite you to bring a friend or neighbor.

We will have a Guest Speaker as part of the meeting: Jan Pinnington will speak about Wearable Technology and the harmful effects of low level radiation caused by cell phones, wireless internet, satellites, microwaves, etc. including how to protect themselves and their loved ones.

Our RCSD Community Action Team Deputy Mo Gabr will update us on the latest goings-on within Sheriff's Department, including crime trends and statistics in our local outbound section of Region 4. Please feel free to contact him with any questions or concerns at 803-513-9622.

We will also have the latest update for the Marina Bay Apartments project on the Lake Murray Marina property. They are moving ahead with construction.
